

## Web Developer (F/M)

Sopra Steria, a European leader in digital transformation, provides one of the most comprehensive portfolios of end to end service offerings on the market: Consulting, Systems Integration, Software Development, Infrastructure Management and Business Process Services. Sopra Steria is trusted by leading private and public-sector organisations to deliver successful transformation programmes that address their most complex and critical business challenges.

Combining high quality and performance services, added-value and innovation, Sopra Steria enables its clients to make the best use of digital technology. With 40,000 employees in more than 20 countries, Sopra Steria had revenue of €3.7 billion in 2016.

We are currently looking for a “**Web Developer**” in order to reinforce our team working for our Integration System Business Unit for one of our clients in Bank & Insurance area in Luxembourg.

### Your Profile:

- You have a degree in Computer Science. Master degree is a plus.
  - You are flexible, pro-active, structured and quality oriented.
  - Team spirit is a strong requirement as well as clear and concise communication to the end-client and the contractors.
  - You are able to collect, discuss and mitigate look and feel requirements with the end client.
  - You are able to integrate different user application portlets in one web portal.
  - You are flexible and willing to travel (up to 25%)
  - You have an excellent level (minimum C1) in written and spoken English. Mastering of French or German is a plus.
- 
- Experience in Continuous Integration/ SDLC in a web-based application implementation;
  - Experience in Functional/Technical Design, Interface Specification documentation;
  - Knowledge in XML, XSL, DTD, WSDL, SOAP,...
  - Knowledge in secure web application implementation is a plus;
  - Knowledge in API Management integration is a plus;
  - Knowledge in Archimate is a plus;
  - Experience in Drools/jBPM or equivalent open-source business engine is a plus;
  - Cloud experience is a plus.

### Your Knowledge and Experience:

Knowledgeable in web architecture/implementation of open source java technologies:

- **Angular 2, Spring, JBoss EAP, Maven;**
- **Java J2EE/J2SE (StAX, JAX-RS, JAX-WS, JAXM, Java/Javascript, etc...);**

- **Linux/SUSE;**
- **Apache** (Camel, CXF, FOP, POI, Hibernate, PDFBox, etc...).

We Offer:

We offer the opportunity to work in a fast growing and dynamic team on challenging national and international projects in different industries. We also offer the opportunity to continuously deepen your knowledge and to further develop your personal competencies.

If you want to boost your career and join a growing European leading IT services company, do not hesitate to check this opportunity and send your resume to **Mrs. Alina Juraveli at [hrcontact-lu@soprasteria.com](mailto:hrcontact-lu@soprasteria.com)**.
