

## „KNBuILD Up“ program (m/f)

### Traineeship program – Integrated Logistics

#### Luxembourg

Are you a motivated and ambitious professional, passionate about Logistics and Supply Chain?

Are you looking for traineeship program that will help you boost your career within the logistics industry?

Our „KNBuILD Up“ **Traineeship Program** is a structured two-year development program offering talented individuals the opportunity to build up valuable operational and commercial skills as well as knowledge of Integrated Logistics and Supply Chain industry overall.

Integrated Logistics at Kuehne + Nagel simplifies the supply chain process and reduces cost for clients, while still providing the great service we are known for. By designing, implementing and managing integrated end-to-end supply chain solutions for our customers across all logistics modes (air, sea, overland, warehousing) anywhere in the world, we put our customer's supply chain in the middle of the service offering.

#### Key facts & figures

- + **Duration & Timeline** – during the period of 24 months you will have the chance to gain hands-on experience in the key areas of our Integrated Logistics Business Unit (Logistics Control Centre, Implementation, Continuous Improvement, and Special Projects & Business Management)
- + **Mentoring** – you will have a mentor in senior management within every department and phase of your traineeship, who will guide you, share valuable experiences and provide an opportunity to network with other key players in and outside the company
- + **Feedback & Evaluation** – in the end of each phase you will have evaluation meetings with our Learning & Development team with defining key development areas for the next period
- + **Understand Logistics trends:** Gather inside into supply chains of different industries and related requirements and challenges
- + **Other benefits** – you will have extensive excursions in **3PL departments** (e.g. Overland, Sea & Air and Contract Logistics) and be involved in various networking activities within the company

#### Your skills and experience

- + You are above-average student or graduate of bachelor or master studies, preferably with logistics as your key area of study
- + You have **first working experience** in the logistics area (e.g. internship / student job)
- + You have an independent and entrepreneurial mindset
- + You have advanced analytical and conceptual thinking skills
- + You are ready to walk the famous extra mile

- + You have excellent English skills (both written and spoken). Knowledge of German and/or one more European language is a plus
- + You have good interpersonal and communication skills

### Good reasons to join

We offer a challenging role within the international environment, with a lot of opportunities to grow, attractive salary and relocation support.

Located at the very heart of Europe, and as such the ideal starting place to travel in Europe, Luxembourg is the only Grand Duchy left in the world. The country is known by its diversity, amazing nature and beautiful castles. Internationality is for sure one of the most interesting facts about Luxembourg – if you work here, you will come into contact with many different cultures, which is always beneficial for your international career development. 47 % of the population are foreigners and come from 175 countries.

Kuehne + Nagel in Luxembourg was founded in 1970 and currently has around 700 employees with over 30 different nationalities. Our head office is located in Contern, an industrial zone in the south-eastern part of Luxembourg (appr. 15min by car from Luxembourg/Luxembourg City Center). You can easily reach our offices by car via the highways from Germany (direction Trier/Saarbrücken), France or Belgium as well as by bus or by train from Luxembourg City and Trier.

### Contact

You can apply directly online or by sending your resume to: [belux.recruitment@kuehne-nagel.com](mailto:belux.recruitment@kuehne-nagel.com)

With over 76,000 employees at some 1,200 locations in over 100 countries, the Kuehne + Nagel Group is one of the world's leading logistics companies. Its strong market position lies in the seafreight, airfreight, contract logistics and overland businesses, with a clear focus on high value-added segments such as IT-based integrated logistics solutions.

Note: Condition for the conclusion of an employment agreement in the above-mentioned role is the provision of an up-to-date (not older than 3 months) certificate of good conduct as per legislation of 23 July 2016.
