

Junior Accountant (UK/F) (M/F)

CLdN is a Luxembourg trademark, under which operate a number of companies with their main activities initially limited to the maritime sector including dry bulk carriers (deep sea) and industrial ferries (short sea), terminal operations as well as transports by trailers and containers. For several years, CLdN has been diversifying its activities in other areas such as energy, real estate and investment in key sectors in Luxembourg and abroad.

Due to our continuous expansion, we are looking for a **Junior Accountant (M/F)** for our headquarter in Luxembourg (Grand Duchy of Luxembourg).

You will be responsible for the following activities:

- Input of invoices, bank statements and other accounting documents
- Reconciling of accounts
- Administrative tasks such as archiving of documents
- Other ad-hoc projects when needed

Your profile:

- You have a degree in accounting
- You have a good level in French and English
- You are accurate and figure minded
- You are positive, motivated and a good team player
- You have an organized and methodical approach
- You have solid IT skills

Our offer:

CLdN offers a long-term contract in a dynamic and international company.

If you are interested, please send your resume and letter of application to hr@cldn.com with reference "Junior Accountant".
